Grasshoppers: A Healthy and Sustainable Protein

- 
- A close-up photograph of a person's hands using a silver knife and fork to cut into a small globe of the Earth. The globe is resting on a white plate. The person is wearing a white shirt and a black watch. The globe shows the Americas, with 'UNITED STATES' and 'MEXICO' clearly visible. The background is dark, making the globe and the person's hands stand out.
- ✓ 70% whole protein
 - ✓ X20 more efficient

Team of Experts

Serial Food
Entrepreneur

Operations
“Wizard”

Insects
“Magician”

- ✓ Combining over 80 years of experience in business & entomology
